**SAINT FRANCIS OF ASSISI (1182-1226)**  
**October 4**

When Franco Zeffirelli's *Brother Sun, Sister Moon* was released (1972), people were shocked by the movie's graphic nudity in the dramatic conversion scene. Son of a wealthy merchant, Francis' aimless adolescence ended when a failed military expedition led to his imprisonment and complete breakdown. Once home, Francis rediscovered God in the beauty of nature and the ugliness of human suffering, caring for lepers, praying in the little church of San Damiano, whose crucified Jesus he heard calling, "Repair my house, Francis, which is falling into ruins." Francis sold his possessions—and his father's—to fulfill this command. When his father objected, Francis disrobed: "I return the clothes, your name, and all you gave me: God alone is my Father now." Later, the pope would dream of a ragged friar stretching forth a single hand to prop up the crumbling papal Cathedral of Saint John Lateran. Francis indeed helped rebuild the universal Church, founding the Friars Minor (Franciscans), dying at a young forty-four, bearing the stigmata of the Christ whose living icon he remains—in the Church and far beyond it.

#### **St. John of God Liturgies During the Pandemic**

At present, Masses at St. John of God are celebrated outdoors in the courtyard on Sundays at 9:30 and 11:30am. (There are no public Masses on weekdays or Saturdays). The allowable number of participants for outdoor services in San Francisco has been increased to 50 but, because of distancing requirements and the small size of the courtyard, it may only be possible to accommodate a smaller number. All participants must wear masks and maintain at least 6ft of spacing between individuals or family groups. Those of you who are more vulnerable to infection because you are elderly or have pre-existing health conditions **SHOULD STAY HOME**. The same applies if you are exhibiting symptoms of illness, especially fever, cough or shortness of breath. In addition, all other health department requirements must be observed. You can find these requirements outlined at these 2 links: [https://www.sjog.net/sfhealthorder\(9-14-20\).pdf](https://www.sjog.net/sfhealthorder(9-14-20).pdf) and <https://www.sfdph.org/dph/alerts/files/Directive-2020-19-SmallOutdoorGatherings.pdf>

We hope that Mass inside the chapel may be able to resume in the near future. The City of San Francisco has announced a goal of allowing indoor religious services by October 1 provided that the spread of Covid-19 in San Francisco has sufficiently decreased by that date.

Please continue to provide support to our parish and to the second collections announced in the bulletins. For those who are able to attend Mass, collections will be taken up as you leave Mass. For those who are unable to attend in person, contributions may be made by mail to St. John of God Parish, 1290 5th Avenue, San Francisco CA 94122. You also can donate online.

# ⚡ ST. JOHN OF GOD SANCTUARY COMMUNITY ⚡

## 1986-2020: 34 Years of Immigrant Advocacy and El Salvador Support!

In 1985 the members of the St. John of God community embarked on an eight-month course of prayer and discernment regarding the plight of the Central American refugees coming to the Bay Area. Members studied Archbishop John R. Quinn's 1983 Pastoral Letter on Central America, participated in house meetings in which refugees shared their stories, and informed themselves about moral and legal issues regarding political asylum. In January 1986, over 90% of the parishioners voted in favor of Sanctuary. Since Palm Sunday 1986, our community has reaffirmed the covenant, which articulates the vision of faith taught by our brothers and sisters of El Salvador and Guatemala.

*Christ's call is to reach out to our brothers and sisters in need. In response to this call, the members of the St. John of God Community enter into this covenant to provide sanctuary -- support, protection, and advocacy -- to Salvadoran and Guatemalan refugees who request haven out of well-founded fear of persecution and possibly death if they are returned to their homeland. We do this out of concern for the welfare of these refugees, regardless of their official immigration status. . .*

*St. John of God Covenant of Public Sanctuary, Palm Sunday, 1986*

As in the early years, Sanctuary work focuses on advocacy, emergency aid and accompaniment for immigrants in San Francisco and the Bay Area and maintaining our long-time international solidarity with marginalized communities and organizations in El Salvador.

### ☀ Report on Projects ☀

Guided by the Spirit, we have continued the Sanctuary commitment to solidarity through:

**Human Rights Advocacy and Accompaniment:** Funds were given to the Interfaith Movement for Human Integrity and Faith in Action to sustain their work of human rights advocacy for all people, regardless of immigration status. With the increase in deportations and more restrictive immigration policies, members of the St. John of God community have accompanied our immigrant sisters and brothers in deportation, asylum, detention and bond hearings. We have also provided bus passes to needy immigrants and established pen pal relationships through "Friends Afuera" with some of those in detention centers. Through our accompaniment and prayerful support, our sisters and brothers know they are not alone.

**International Solidarity Work in El Salvador:** Funds were given to Voices on the Border and used to fund two projects in the country, one a domestic violence prevention program in Morazán, the other a healthy nutrition project in the Bajo Lempa region.

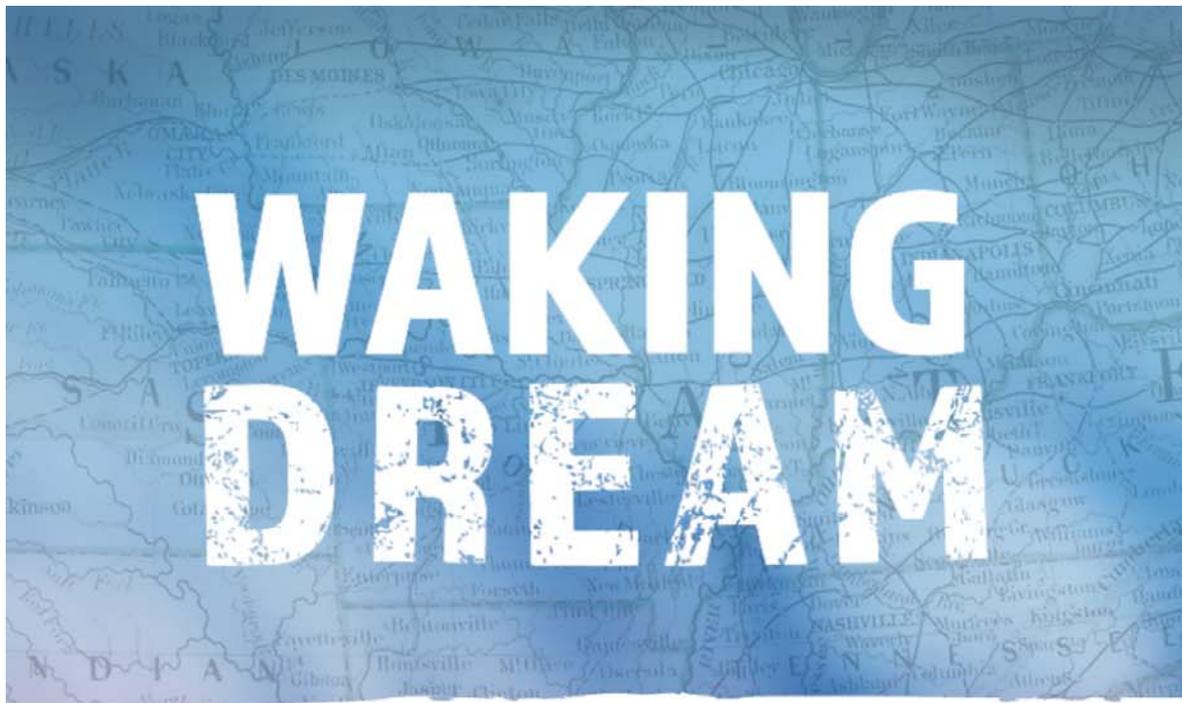

**Direct Support:** In the past year funds were given to the Central American Resource Center (CARECEN), for legal and social services for local immigrants. This nonprofit is a leader in providing legal and social services to low-income Latino immigrants, including immigrants seeking relief from deportation through DACA (Deferred Action for Childhood Arrivals). In June the U.S. Supreme Court ruled against the Trump administration's attempt to terminate DACA.
